RUNTHROUGH DATE/TIME

WEDDING DATE/TIME

STYLING & SERVICE GUIDE

Here are a few things you can do to help us make your wedding day run smoothly.

- The time you need to leave the salon and are you in the wedding pictures?
- Pictures of both hair and makeup for each person are a great help.
- Do you have a theme? Let us know the color palate you are using.
- Is your wedding formal or casual?
- Are you getting married indoors or outdoors?
- Do you usually wear makeup?
- Do you have any sensibilities or allergies we should know about?
- Do you or your bridesmaids want an updo? If so how long is each person's hair?
- Eye brows and eye lashes not included. Have your brows done before the wedding day. If you would like eye lashes applied, please provide them, (glue on type only-not magnetic).
- We need a good sized room with electricity to work on the wedding party on-site.
- Wash and dry your hair the night before so your curls and updos will last longer.
- Hair extensions will be an additional charge, (cost depends on the extensions).
- Bring a toothbrush or brush your teeth before arriving to help preserve your lipstick.
